

## **Resilient Agricultural Landscapes Program**

### **LETTER OF SUPPORT TEMPLATE**

Some project categories require a letter of support from a qualified third party (e.g., Conservation Authority, certified contractor, etc.). Qualified third parties may differ across project categories, but suggestions are provided in the [program guide](#). **The applicant and qualified professional should work together to complete this activity. The applicant is responsible for providing accurate information to the qualified professional and for providing the letter of support with their application submission. The following should be used as a template when completing a letter of support:**

---

Applicant Name/Legal Farm Business Name

---

Project Location (Address)

GPS Coordinates (Latitude, Longitude)

---

Municipality

City/Town

Province

Postal Code

ON

---

Total area (acres)

---

### **CURRENT LAND USE**

Briefly describe the current condition of the project location (before project implementation) and any current uses (e.g., marginal lands, pastureland):

---

---

## PROPOSED PROJECT

Outline the proposed activity/activities that will be undertaken and any necessary considerations when implementing the project and the timeline necessary to complete each step.

---

---

**I declare, to the best of my knowledge, that the information provided above is true and accurate.**

---

**First and Last Name of third-party  
Qualified Professional**

**Signature (Required)  
of Qualified Professional**

**Date**

---

## THIRD PARTY PAYMENT INFORMATION

**Please make payment to:**

The third-party qualified professional will receive a flat rate payment of \$200.00 for the completion of this documentation. Payments are made by electronic funds transfer. To receive payment, download the EFT Authorization Form: [Download HERE](#), and submit the form directly to: [accountspayable@ontariosoilcrop.org](mailto:accountspayable@ontariosoilcrop.org).
